**LEVITON**

**Decora® LED Sensor  
Guide Light Series**

Leviton's new LED Sensor Guide Light Series unites Leviton's quality Decora® wiring devices with energy-saving LED Guide Lights for a smart combination. The Sensor LEDs turn on and off automatically and offer long life expectancy, with no bulbs to replace. They're available in Switch/Guide Light or Tamper-Resistant Receptacle/Guide Light combinations, as well as a full LED Guide Light version that's perfect for hallways or stairways.
