LEFFELECTRIC

LEFF ELECTRIC IS AN INDEPENDENTLY OWNED ELECTRICAL SUPPLY DISTRIBUTOR FOUNDED IN 1921.

Our highly knowledgeable and experienced associates are “wired to serve you better.” We are committed to follow every inquiry - from quotation to completion - to ensure the job is done right every time. We know that having the right amount of inventory and mix of product is crucial to our customers’ success, so we take pride in having wide and deep inventories. Leff has a strong warehousing and logistics platform to provide our customers with dependable and accurate deliveries. We continue to invest in the future of our business in order to remain a progressive leader in the markets we serve and to provide the value you expect from an electrical distributor.

DEPTH & BREADTH OF INVENTORY

We have the inventory you need, when you need it.

- Full line of electrical supplies
- Over 15,000 items in stock
- Over 500 manufacturers represented, including all lighting lines
- 8 stocking locations

WAREHOUSING & LOGISTICS

Tell us when, where and the quantity you want. We’ll make it work.

- Accurate orders supported by Warehouse Management System and RF Bar Coding
- Wire cutting & paralleling services including bars and jack stands
- Delivery management based on order requirements: same day, next day or just in time
- Variety of trucks that can handle any delivery including flatbeds for large conduit deliveries
- Full service counters with will-call services
- Spring Road Distribution Center counter hours: 6:30 AM – 6:00 PM
- Emergency opening service available 24/7
- Nightly transfers to all branches to fill next morning needs
- Nationwide deliveries via UPS, FedEx, DHL or LTL

NATIONAL ACCOUNTS
