CAT-CM Cable Support System

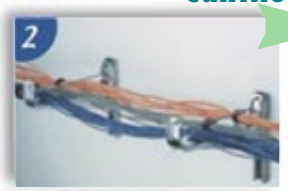

CADDY

Three Installation Options

Rod-Mounted Option

The Rod-Mounted Option allows for field assembly of the hooks onto All-Thread Rod.

Cantilever-Mounted Option

The Cantilever-Mounted Option consists of U-Hooks being mounted with brackets to walls and columns.

Strut-Mounted Option

The Strut-Mounted Option is accomplished by assembling the hooks to strut for a cost-effective alternative to center rail cable tray and wire basket systems.
