WIREMOLD™

Designer Series 4000 Raceway

New and available at Leff!

WITH ITS INNOVATIVE PROFILE, GREATER CAPACITY and installation-friendly features, the 4000 Designer Series raceway helps you do what you do better. Unique downward facing activations deliver a streamlined profile in new designer colors to complement any decor. With one-third more wiring capacity than traditional profiles, it's the ideal raceway for your newer and larger capacity applications. And it's easier to install with features that offer flexibility as well as functionality, saving time and labor. The DS4000 raceway. Everything you want in a raceway. And you want it all.

For more information go to www.wiremold.com/ds4000 or contact your Leff sales representative.

Leff Welcomes Ed Komlos

Leff welcomes Ed Komlos as the new Counter Supervisor for the Warren branch. Ed comes to us with 25 solid years of experience in the electrical industry. Ed was previously with Trumbull/Gatto Electric in Warren where he worked for 6 years, with his most recent position being Inside/Counter Sales. Prior to that, he was manager of SAS Electric in Warren. Ed is a native and life long resident of Warren, where he and his wife, Stephanie, and two daughters, Melissa and Christine, currently reside. Ed enjoys Nascar and his hobbies include radio sports broadcasting of Warren area high school football and basketball games. Welcome Ed!

Missy Hanners to Project Manager, Lighting Projects

We are pleased to announce that Missy Hanners has moved from the National Accounts Department to the Lighting Projects Department as a Project Manager.
